TROLLEY Tours At Starved Rock

**New Tour
for 2019!**

Our Rich History...

Nestled within 3,200+ acres of lush forests, Starved Rock State Park has awesome, seasonal waterfalls and 18 majestic canyons, carved by years of glacial meltwater.

Starved Rock Lodge is the only resort located in Starved Rock State Park. Built in the 1930's, the Lodge sits high atop a wooded bluff overlooking the Illinois River.

"Starved Rock" derives its name from a 1760's incident in which a band of Illiniwek Indians took refuge on top of a 125-foot sandstone butte.

The Park's Visitor Center offers an in-depth look at our history and tells how this area has been home to humans for 8,000 years! The museum is free and open to the public.

Trailheads Concessions is open daily during summer months and offers snacks, drinks, and Starved Rock logo wear plus a wide variety of souvenirs.

The Lodge's historic Main Dining Room serves breakfast, lunch, dinner and Sunday Brunch. Check out the Starved Rock Cafe, Back Door Lounge or enjoy outdoor dining on the Veranda (featuring the best view in Illinois).
