

## **ILLINOIS RAPTOR CENTER (IRC)**

The purpose of the Illinois Raptor Center is to ensure the well-being of native animals through wildlife rehabilitation; to increase conservation awareness through educational outreach; to contribute expertise and support to conservation partners; and to improve our understanding of wildlife health through hands on research.

## **GREAT LAKES FALCONERS ASSOCIATION (GLFA)**

GLFA is a volunteer based not-for-profit organization dedicated to our native birds of prey and to the sport of falconry. GLFA is very active in falconry legislative efforts at not only the state level but also in cities and municipalities across Illinois. They are involved in educating the public by manning booths at fairs, conducting lectures for interested groups, and sponsoring events such as picnics and flight demonstrations.

## **STILLMAN NATURE CENTER**

The Stillman Nature Center is a private, non-profit center for environmental education.

It is located on 80 acres of woods, lake and prairie in South Barrington, Illinois.

Stillman has a variety of habitats which offer food, cover and nesting sites for wild animals. It is also home to a number of Birds of Prey that are not able to be released in the wild. These raptors are used for educational programs both at the nature center and throughout the region.
